# About Us

We are a family-owned boutique residential building company operating for over 21 years.

We specialise in creating exceptional new homes, townhouses, and multi-unit developments. Our reputation for excellence in service, efficiency, and building superior homes is well-known throughout the industry.

We are proud to have worked with a diverse range of clients, including both owner-occupiers and developers. At Patterson Homes, we prioritise cost-effectiveness without compromising quality, and we take great pride in delivering projects to the highest standard.

# Our Vision

Patterson Homes was founded on the principles of honesty, quality, and uniqueness. Our passion for construction stems from the exciting journey we embark on with each client to bring their distinctive dream home to life. We aim to construct homes that support the varying needs of our clients and their families throughout different stages of their lives.

What sets us apart is our personalised and digital approach to each project. We provide unparalleled service that supports our clients throughout the entire building process, starting as early as the design phase. Our clients' satisfaction is of utmost importance to us, and we treat their homes with the same care and commitment that we would show our own.

# Our Services

# Custom Luxury Homes

Patterson Homes offers a cost-effective solution for designing and constructing a custom home that perfectly suits your preferences, land, and financial plan. With us, you can enjoy the liberty of creating a home that reflects your distinctive taste and style.
